

Mona Pandey, Manager, Labour Market Information Unit
Manitoba Department of Jobs and the Economy

Mona Pandey joined the Policy, Planning and Coordination Branch of the Department of Jobs and the Economy as Manager of the Labour Market Information Unit in June 2013. As Manager of the Labour Market Information Unit, Mona is responsible for labour market analysis to support program and policy development in government departments, and for the development and dissemination of labour market information products for the public. In addition, Mona is currently responsible for ongoing implementation and monitoring of Manitoba's labour mobility obligations.

Mona has been working for the Province of Manitoba since 2008. Before joining the Labour Market Information Unit, she worked as a Research and Evaluation Analyst for the Departments of Family Services and Jobs and the Economy. Mona holds a Bachelors degree in Commerce and a Masters degree in Economics.
